

STEPHEN ANDERSON

Stephen is a seasoned professional with a profound commitment to preserving and promoting cultural and historical assets. With 22 years of experience as a qualified Architect, Stephen specialises in arts, culture, and heritage projects. His extensive expertise includes significant involvement with National Lottery Heritage Fund investments. He is also a Director at Buttress Architects Ltd., where he oversees various high-profile projects. In his free time, Stephen enjoys spending quality time with his family, building with Lego, and riding motorbikes. He is also an active volunteer for Valley Heritage. Stephen's community involvement extends beyond his professional duties. He is deeply engaged with Valley Heritage and also contributes to Rossendale Valley Energy, demonstrating his dedication to enhancing and supporting the local community.
